

Wal ddringo Pupils from Year 7 - 11 took part in a series of climbing sessions at Haverfordwest Leisure Centre recently. The pupils were given an opportunity to work towards the NICAS Level 1 Climbing Award. This involved pupils learning about the basic climbing skills, focussing on safety rules and hazards, safe belaying and ascending and descending chosen routes. Huge thanks go to Sport Pembrokeshire for providing the pupils with the opportunity to take part in a

challenging activity. Watching the pupils grow in confidence and improve their technical climbing skills has been amazing.

Spotlight on Safeguarding At Tasker Milward we are committed to ensuring your child's wellbeing and safety. In order to help us please can you inform Mrs Lees, the School Attendance Officer, if your child is absent from school. As part of our commitment to safeguarding we will contact you on the first and third day of absence if we do not receive information from you. A home visit might be conducted in the case of persistent absentees.

If you or your child have any safeguarding concerns then please contact Miss S Basford, Inclusion Manager, Rev J Cecil, Assistant Headteacher, or Mrs H Lewis, Headteacher. Issues can also be raised in the suggestion boxes which are located in all buildings at school or on the 'bully button' on the school website.

Easter Geography and Geology trip to Italy During the first week of the Easter holidays, 48 pupils took part in a Geography and Geology trip to the Amalfi Coast, Italy. During their visit they were lucky enough to explore active volcanoes,

ancient cities, stunning sea caves and remote islands. They also witnessed ancient religious ceremonies (which were a bit scary) and tasted the odd pizza and gelato (which were very tasty). Behaviour was impeccable and the pupils showed a mature and enthusiastic approach to learning for the entirety of the visit. A big thank you to all pupils and staff. Arrivederci!
