National Professional Qualification for Middle Leadership (NPQML)
Local Delivery that meets the needs of Local Leaders

Congratulations to Mrs Davies, Mrs Hall, Mrs Hooper and Mrs Martin for recently passing their National Professional

Qualification for Middle Leaders. The teachers have undertaken an extensive training over the last two years and have each completed a piece of action research to help them with their leadership responsibilities. They have presented their findings to the rest of the teaching staff and have also met with the Director for Children & Schools to showcase their work. Da iawn pawb!

MAT WALES

As part of the school's More Able and Talented scheme, the English department asked a number of Year 9 pupils to produce resources to aid in the teaching of "Of Mice and Men", a G.C.S.E text by John Steinbeck. These were completed to a very high standard and proved an effective resource for fellow peers. This activity is just one of a number of larger additional projects M.A.T

pupils are required to complete within subjects. During our summer term it will be the turn of our budding Mathematicians. Get those calculators at the ready, who knows what Mr Hammett will have in store!

Our **SCHOOL COUNSELLOR** is available to talk to on **Mondays and Thursdays**. You can drop in or see Miss Basford, Mr Cecil or your Head of Year to make an appointment for you.

Estyn

Parent Survey
Your Opinion Counts!

Estyn will be visiting the school for the termly monitoring visit from 6th-8th June 2017. Prior to the visit, Estyn are asking for views of parents and carers. They are piloting ways to consider the views of parents when a school is in follow up. They would like to find out how parents of the school feel. This will help to inform their monitoring work.

Estyn wants to know your views on the school and how things have changed recently. You can do this by completing an online questionnaire via the direct link provided by the school or by going to <http://vir.estyn.gov.uk>, clicking on 'complete a parent questionnaire' and inputting 07747.

If you have any difficulties in accessing or completing the questionnaire, hard copies are available from your school or Estyn on request.

They should be returned to Estyn either direct using the Freepost facility or 'In Confidence' via your school no later than 26th May 2017, see 'How can I contact Estyn?'.
