

NEWYDDION TASKER MILWARD

S.T.A.R. Strive To Achieve Respect S.E.R. Safwn Er mwyn Rhagoriaeth

Issue No. 35 1 of 2
22nd June 2017

Beth sy'n digwydd yr wythnos hon? Beth fydd yn digwydd nesaf?

Message from Mrs Lewis We have enjoyed some of the hottest weather this week that many of us can remember for several years. Well done to all who have been sitting public exams in the heatwave and to Year 9 completing their CAT4 tests. Thank you to all our parents and carers for your support ensuring pupils are hydrated and appropriately

clothed! Once the weather cools down we will be having a full uniform check. Parents and carers are reminded that any uniform purchased from now on must be the blazer, shirt and tie. All pupils in the new uniform must have a blazer in school, it is the jumper that is optional. Hoodies and facial piercings are not acceptable. If you have any queries about uniform please do not hesitate to contact your child's Head of Year or a member of senior staff. Thank you for your support.

'Pupil of the Week'

Anna Ridge 11T for qualifying for the Horse of The Year Show! LLONGYFARCHIADAU!

Cricket Year 7 hosted Milford in the quarter finals of the Pembrokeshire Schools' Cup. Tasker Milward were favourites with players from strong club sides in Hook, Llangwm, Haverfordwest and Neyland as well as a number of County players. Taskers won the toss and sent Milford into bat. Some good bowling with very few extras restricted Milford to just 33 all out. Well done to the bowlers Phillips (2 maidens), Miller (1 wicket), Asson (3 wickets), Davies (2 wickets), Dyer and Price (1 wicket). Some good batting from Captains Lewis Miller (30 n/o), Dom Asson (18 n/o) and Joe Phillips (6 n/o) gave TM an 8 wicket victory. They face Preseli away in the Semi-Final. Bendigedig!

Hay Festival 2017 This year the internationally renowned Hay Festival celebrated its 30th anniversary and Tasker Milward pupils were there to help mark the event.

The Hay Festival gathers writers, artists and celebrities from around the world who attract the many thousands of visitors to performances, talks and cultural activities. Twenty of our talented pupils in Years 7 and 8 enjoyed a day of talks by celebrated writers of teen fiction who spoke about their careers as authors, how they generate ideas, characters and settings and how to get a novel published. It was a very enjoyable day and a great opportunity for our pupils to see a wider cultural world beyond their own. Well done and thank you to all involved!

ZUMBA

THE DOME

WEDNESDAY LUNCHTIMES

Prize Bingo

Thank you to everyone who came to bingo last Friday, we made a profit of £42 which will be put towards the Y7/8 attendance party at the end of term. Same again, in the Library at lunch time on Friday 23rd June. £1 entry to raise funds for end-of-year celebrations.

A quarry lake can be very cold even on a hot summer's day – you could die from 'Cold Shock' in less than 2 minutes.

Cold shock can cause you to gasp and drown immediately or can lead to hypothermia, making it very hard to breath.

Assuming you survive the cold shock, the drop in temperature causes finger stiffness (making it difficult to climb out), reduced coordination (making it difficult to swim/tread water) and general muscle weakness. It is impossible to help yourself.

If cold shock and the reduced physical capabilities don't result in drowning, hypothermia may kill you.

Water in active and disused quarries can be dangerous.

- Deep water may contain hidden currents or submerged plants, which can drag you under
- Submerged abandoned machinery and rocks which you can injure yourself on if jumping in
- Underwater ledges/ recesses where you can become trapped
- Dead animals' excrement cause disease
- Pollution/rubbish causing eye and skin irritations, stomach problems, fungal infections and rashes
- Poisonous/toxic algae
