Monday 8th February 2021

Dear Parents,

As you may be aware, Mr Nick Groves has decided to retire from his post as head teacher of our school at the end of the Summer term, He has been head of Cleddau Reach for ten years and prior to that served for ten years as head of Llangwm School.

When Cleddau Reach was established we were very fortunate to have a head who was extremely hard working, conscientious to a fault, a complete professional who always had the best interests of the school, its pupils and staff at heart. As Chair of Governors over that period I have seen close at hand the enormous amount of time and effort he has put in, always uncomplainingly, and have admired the clear sense of direction he has given the school with the welfare of pupils always to the fore. Apart from his administrative duties he managed to find time to work with children in their classrooms and to participate in a range of extra curricular activities and visits. Education has always been more to him more than a prescribed curriculum. I am sure that you will join with me in wishing Mr Groves a long, rewarding and happy retirement, one that is richly deserved.

The task of governors over the weeks ahead will be to find a replacement for an outstanding head. We will endeavour to appoint the best possible candidate, one who will build on the secure foundations laid by Mr Groves and one who will continue to ensure the high standard of education and care for which Cleddau Reach is renowned.

Yours sincerely,

Barry Childs

Chair of Governors.
