16th March 2020

Dear Parent / carer,

Due to the current concerns surrounding the Coronavirus, we will be limiting non-essential activities at school.

Unfortunately this will mean that all after school extra-curricular clubs will be cancelled until further notice. Also this weeks' Year 4 Family Assembly will be postponed and any future family assemblies will also be postponed until the situation improves. The Urdd rugby tournament due to take place on 18th March has also been postponed by the organisers.

The school has also needed to postpone the planned Film Evenings on 18th March and 1st April, organised by the Friends of the School. Once again, it is hoped that these events can be rescheduled, if the situation means that this is not possible next term, the parental contributions will be returned.

At present the Kingfishers After - School Club will continue to operate but this will be subject to regular review.

In all other respects school is open and children should attend unless they are displaying a high temperature and/or a persistent cough or other forms of illness. All schools are expected to follow the guidance on the Public Health Wales website which is updated daily at 3pm and also to follow the daily guidance provided by Central Government and the Welsh Assembly.

I am sure you are aware that these are very uncertain times and situations can change very quickly. We will do our utmost to keep you informed.

Yours sincerely

N M Groves
Headteacher
