2nd March 2021

Dear Parents,

The attached poster is from the Welsh Government and provides reminders of the measures for families to follow in order to support a safe and sustained return of Foundation Phase pupils to schools across Wales. By maintaining these measures, it should support continuing improvements in COVID-19 data across Wales and help all Primary classes to return later this month.

At present it is still vital that all adults bringing or collecting children from school do this as quickly and safely as possible. This means only one adult bringing their child / children in or collecting them, always wearing face coverings when on site, following the safe routes to the classrooms and leaving the site as quickly as possible. Please continue to contact the school office via phone or e-mail whenever possible.

Your efforts combined with our own safety measures throughout the school day are greatly appreciated. It means that we are all working together to do the best we can to move steadily towards a time when the normal patterns of school life can return safely.

Kind regards,

Mr Groves
