Thursday 9th July 2020

Dear Parent / Guardian,

It has been lovely to see so many of the children again this week. The re-organised school day is running smoothly and safely. It is clear across all classes that the children are benefiting from seeing some of their friends and working directly with staff they know well.

Next week the same timetable that has operated over the previous two weeks will continue. However, during the last week of the summer term, Monday 20th July – Thursday 23rd July we will provide an opportunity for whole classes to visit on the same day of the week. In this way we would provide a suitably distanced opportunity for the children to see all of their class friends and to wish them all a happy summer holiday. Each class would still work in their small groups of no more than eight children in the morning, using up to four classrooms and with four familiar teachers supporting. However, in the afternoon it would be possible to use the outdoor space or the school hall to undertake 2 metre distanced activities where all the class could be together. This will be important socially for all classes but especially for our Year 6 leavers.

For Foundation Phase the following timetable will operate:

	Monday 20th July	Tuesday 21st July	Wednesday 22nd July
Class in School	Reception (Miss Logue)	Year 1 (Miss Eldred)	Year 2 (Mrs Evans)

All children attending the whole class day in the final week of term will be given their school report to take home at the end of the day. This school year has been badly disrupted by the CV-19 pandemic but the summary report will show the key areas of progress and the next learning targets for your son / daughter. Summary reports will be posted to the parents of Class 1 children and to any families where their child / children have been unable to return this term.

Thank you for your support and flexibility over the last four months. Next week I will hope to provide further specific information in terms of the announcement today about the full return of children to Welsh schools in September. At present all schools are awaiting further detailed guidance from Welsh Government and Pembrokeshire County Council on how this can be managed in a safe, clear and effective way.

Kind regards,

Nick Groves
