Dear Parents,

I am pleased to inform you that the school has once again secured funding from the Welsh Assembly Government to provide a literacy and numeracy enrichment club. The club is designed to provide an opportunity for children who would benefit from further developing their confidence within these key areas.

This term the Enrichment Club will take place on a Monday evening from the end of the school day until 4.30pm. The club will be run by Mrs. Marguerete Warrender (HLTA) and Mrs Daniela Venables (LSA) who will work with myself to plan the range of activities. The activities undertaken will be enjoyable but also supportive in providing age appropriate opportunities for literacy and numeracy development.

This six week block of sessions will support the skills of children within Year 2. If you feel your son/daughter would benefit from attending the literacy and numeracy Enrichment Club please return the slip below by Thursday 18th January. In order to provide the best possible support the number of children attending the club is limited to twenty.

The Enrichment Club for Year 2 will begin on Monday 22nd January and continue on Monday 29th January, Monday 5th February, Monday 12th February, Monday 5th March and Monday 12th March.

At the end of Enrichment Club all children should be collected from the **main hall doors**.

Yours sincerely
 Nick Groves
