

CLEDDAU REACH VC PRIMARY SCHOOL

JEANS FOR GENES DAY

On **Friday 22nd September** we are supporting the above charity event.

Jeans for Genes Day raises money every year to help children who are affected by problems with their genes. There are over half a million children in the UK today living with a genetic disorder.

Jeans for Genes Day aim to raise more money to help develop treatments for these serious genetic disorders and to provide advice and support for families.

May we ask that your child/ren wear denim jeans (or anything denim) and make a £1.00 donation towards this very worthwhile charity.

We will be holding a special fruit tuck shop during the afternoon and all proceeds will be forwarded to this charity.

Thanking you, in advance, for your continued support towards our chosen charity events.
