11 September 2020

Dear Parent (s) / Carer (s),

It has been lovely to have the children back in school this week and to see how well they have settled into their classes. They have also adapted well to the measures put in place to maintain both their safety and that of the adults working within the school.

At the end of the first full week of the autumn term I would like to thank parents for their support in allowing a full and safe return to school.

COVID -19 brings many restrictions to the normal patterns of school life. Therefore, I would like to remind all parents and adults supporting their children arriving or leaving school of some key points to ensure we maintain the best possible safety for all. Please follow the floor markings and safe routes to classes and entrances maintaining distancing of at least 2 metres from staff and other families. When on site please keep your children close by you and don't let them run across others and play on different parts of the playground. Whenever possible please use the available parking spaces in a safe way and try to avoid engaging in extended conversations with other parents whilst on site. As soon as all your children are safely in school please leave the site safely.

Nearly all families have been fully observing the points above which has been wonderful to see.

I hope that you all have a lovely weekend.

Nick Groves
