

SHWMAE DAY - THURSDAY, 15TH OF OCTOBER 2020

On Thursday 15th October we will be holding a 'Shwmae Day' when we will celebrate the culture and language of Wales. During the day, each class will take part in a range of exciting activities whilst working within their 'class bubble'. The activities will include creative art, language work and traditional stories from Wales. It would be lovely if the children could come in that day dressed in red, white and green to match the colours of the Welsh flag.

Thank you in anticipation of your support,

Mr Groves
